Registration:

PHYSICIAN WELLNESS

Wednesday November 4, 2026 | 5:30 – 6:45pm PST

PWN Wellness Rounds

Dr. Will Bynum - From Recognition to Response: Building Shame Competence in Medicine.

In this session, we will dive deeply into practical strategies to recognize and mitigate shame at both the individual and organizational level, helping to foster healthier and more supportive medical cultures. You do not need to have attended the first PWN Rounds session to benefit from this talk.

This session is open to all BC physicians, medical students, and residents.

KNOWLEDGE SHARING: PEER-TO-PEER LEARNING

FE Quick Wins Workshop: Simple strategies for effective MSAs/FE Working Groups

WEDNESDAY, NOVEMBER 25 | 6-7:45 P.M.

Quick tips and simple approaches to increase the credibility of your MSA / FE Working Group, make your FE funding go further, and build sustainable executive leadership models. Presentations from your peers on how implementing governance best practices has led to tangible results.

An opportunity to evaluate your executive's current functioning and workshop steps to increase your impact and influence on health system decision-making.

Intended audience: MSA / FE Working Group members, MSA members interested in learning more about FE, and MSA administrators.

Registration:

JCC SHOWCASE 2027 – SAVE THE DATE

The 2027 Showcase is a dynamic event presenting progress and innovation from the Family Practices Services Committee, Shared Care Committee, Specialists Services Committee, and Joint Standing Committee on Rural Issues.

This event offers a unique opportunity to connect, share ideas, and engage with peers from across the health care system.

MONDAY, JANUARY 25 | 7 AM – 6 PM

Registration opens early November. For more information
